### Public art : project competition for Madrid Abierto 2005

The aim of this competition is the selection of at least six art projects of an ephemeral or temporary nature. The works chosen will be included in Madrid Abierto together with other invited projects like those of the Casa de América and the water tank in the Fundación Canal grounds, in Plaza de Castilla.

Programmed to coincide with ARCO (Madrid, February 2005), the interventions will be situated along the Paseo de la Castellana-Paseo del Prado axis. There will also be a site-specific project for the Círculo de Bellas Artes building.

The competition is open to artists, either individually or in a group (in which case a representative should be chosen), of all nationalities.

Projects should be sent by e-mail to [abierto@madridabierto.com](mailto:abierto@madridabierto.com) before 15 th July (or by post to Fundación Altadis-Madrid Abierto, calle Barquillo 7, 28004 Madrid, Spain).
